Breathin

Ariana Grande

Some days, things just take way too much of my energy I look up and the whole room's spinning You take my cares away I can so overcomplicate, people tell me to medicate

Feel my blood runnin', swear the sky's fallin' How do I know if this shit's fabricated? Time goes by and I can't control my mind Don't know what else to try, but you tell me every time

Just keep breathin' and breathin' and breathin' And oh, I gotta keep, keep on breathin' Just keep breathin' and breathin' and breathin' and breathin' And oh, I gotta keep, keep on breathin'

Sometimes it's hard to find, find my way up into the clouds Tune it out, they can be so loud You remind me of a time when things weren't so complicated All I need is to see your face

Feel my blood runnin', swear the sky's fallin' How do I know if this shit's fabricated, oh? Time goes by and I can't control my mind Don't know what else to try, but you tell me every time

Just keep breathin' and breathin' and breathin' And oh, I gotta keep, I keep on breathin' Just keep breathin' and breathin' and breathin' and breathin' And oh, I gotta keep, I keep on breathin', mmm, yeah

My, my air My, my air My, my air, my air My, my air My, my air, yeah

Just keep breathin' and breathin' and breathin' And oh, I gotta keep, I keep on breathin' Just keep breathin' and breathin' and breathin' and breathin' And oh, I gotta keep, I keep on breathin', mmm, yeah

Feel my blood runnin', swear the sky's fallin' I keep on breathin' Time goes by and I can't control my mind I keep on breathin', mmm, yeah
