

# Everytime

Ariana Grande

Back to you, back to you, back to you  
Back to you, back to you, back to you  
I go back to you, back to you, back to you everytime

I get tired of your no-shows  
You get tired of my control (yeah)  
They keep telling me to let go  
But I don't really let go when I say so (yeah, yeah, yeah, yeah)  
I keep giving people blank stares (yeah)  
I'm so different when you're not there (yeah, yeah)  
It's like something out of Shakespeare (yeah)  
Because I'm really not here when you're not there

I've tried to fight our energy  
But everytime I think I'm free (yeah, woo!)

You get high and call on the regular  
I get weak and fall like a teenager  
Why, oh why does God keep bringing me back to you?  
I get drunk, pretend that I'm over it  
Self-destruct, show up like an idiot  
Why, oh why does God keep bringing me back to you?

I go back to you, back to you, back to you  
Back to you, back to you, back to you  
I go back to you, back to you, back to you everytime

Just when I get on a new wave (yeah)  
Boy, you look at me and I slip outta my lace  
They keep calling me a head-case  
'Cause I can't make a good case why we can't change

I've tried to fight our energy (yee, yee!)  
But everytime I think I'm free (yeah)

You get high and call on the regular  
I get weak and fall like a teenager  
Why, oh why does God keep bringing me back to you? Mmm (Back to you,  
baby)  
I get drunk, pretend that I'm over it  
Self-destruct, show up like an idiot  
Why, oh why does God keep bringing me back to you?

I go back to you, back to you, back to you (I go back to you)  
Back to you, back to you, back to you (back to you)  
I go back to you, back to you, back to you everytime (I go)  
I go back to you, back to you, back to you (yeah!)  
Back to you, back to you, back to you  
I go back to you, back to you, back to you everytime
