

Don't take them off
Put your hands on me
You can put your hands on me
If you like what you see
Baby put your hands on me

It's your birthday
Every day with me
And my maker hard rock ASAP
It's your birthday
Every day with me
And my maker hard rock ASAP

Can I, can I, can I please put my hand on it?
Shaking like they're burning, lemme put a fan on it
Bumblebee got a parachute to land on it
Cause you got the cake, can I put my candle on it?

It's your birthday
Every day with me
And my maker hand rock ASAP
Got me talking marriage
I like what I see
And might put a ring on it
Work a B and Jay-Z
But before I do that let me put a hand on it
Oh so hot I could catch a tan on it
Got me sweating so much we can swim on da dancefloor
We gonn have to mes around and put a damn on it
Damn on it

Don't take them off
Put your hands on it
Put your hands on it
Put your hands on it
Put your hands on it
Put your hands on it
Put your hands on it
Put your hands on it
Put your hands on it
Put your hands on it
Don't take them off
Put your hands on me
You can put your hands on me
If you like what you see
Baby put your hands on me
