Honeymoon Avenue

Ariana Grande

I looked in my rear view mirror and It seemed to make a lot more sense Than what I see ahead of us, ahead of us, yeah. I'm ready to make that turn Before we both crash and burn Cause that could be the death of us, the death of us, baby

You know how to drive in rain And you decided not to make a change Stuck in the same old lane Going the wrong way home

I feel like my heart is stuck in bumper to bumper traffic, I'm under pressure Cause I can't have you the way that I want Let's just go back to the way it was

When we were on Honeymoon Avenue Honeymoon Avenue Baby, coastin' like crazy Can we get back to the way it was?

Hey, what happened to the butterflies? Guess they encountered that stop sign And my heart is at a yellow light, a yellow light Hey, right when I think that we found it, Well, that's when we start turning around You're saying, "Baby, don't worry," But we're still going the wrong way, baby

You know how to drive in rain And you decided not to make a change Stuck in the same old lane Going the wrong way home

I feel like my heart is stuck in bumper to bumper traffic, I'm under pressure Cause I can't have you the way that I want Let's just go back to the way it was

When we were on Honeymoon Avenue Honeymoon Avenue Baby, coastin' like crazy Can we get back to the way it was?

They say only fools fall in love Well, they must've been talking about us and sometimes I feel like I've been here before I could be wrong, but I know I'm right We gon' be lost if we continue to fight Honey I know, yeah, We can find our way home

I feel like my heart is stuck in bumper to bumper traffic, I'm under pressure Cause I can't have you the way that I want Let's just go back to the way it was When we were on Honeymoon Avenue Honeymoon Avenue My baby, coastin' like crazy Can we get back to the way it was?

Let's just go back, back, back.
