

# Imagine

Ariana Grande

Step up the two of us, nobody knows us  
Get in the car like, "Skrrt"  
Staying up all night, order me pad thai  
Then we gon' sleep 'til noon  
Me with no makeup, you in the bathtub  
Bubbles and bubbly, ooh  
This is a pleasure, feel like we never act this regular

Click, click, click and post  
Drip-drip-dripped in gold  
Quick, quick, quick, let's go  
Kiss me and take off your clothes

Imagine a world like that  
Imagine a world like that  
We go like up 'til I'm 'sleep on your chest  
Love how my face fits so good in your neck  
Why can't you imagine a world like that?  
Imagine a world

Knew you were perfect after the first kiss  
Took a deep breath like, "Ooh"  
Feels like forever, baby, I never thought that it would be you  
Tell me your secrets, all of the creep shit  
That's how I know it's true  
Baby, direct it, name in the credits  
Like the movies do

Click, click, click and post  
Drip-drip-dripped in gold  
Quick, quick, quick, let's go  
Kiss me and take off your clothes

Imagine a world like that  
Imagine a world like that  
We go like up 'til I'm 'sleep on your chest  
Love how my face fits so good in your neck  
Why can't you imagine a world like that?  
Imagine a world

Can you imagine it?  
Can you imagine it?  
Can you imagine it?  
Can you imagine it?  
Can you imagine it? (Can you imagine?)  
Can you imagine it? (Can you imagine?)  
Can you imagine it? (Ooh)  
Imagine that  
Imagine it, imagine it  
Imagine it, imagine it  
Imagine, imagine  
Imagine, imagine  
Imagine, imagine
