Imagine

Ariana Grande

Step up the two of us, nobody knows us
Get in the car like, "Skrrt"
Staying up all night, order me pad thai
Then we gon' sleep 'til noon
Me with no makeup, you in the bathtub
Bubbles and bubbly, ooh
This is a pleasure, feel like we never act this regular

Click, click, click and post Drip-drip-dripped in gold Quick, quick, quick, let's go Kiss me and take off your clothes

Imagine a world like that Imagine a world like that We go like up 'til I'm 'sleep on your chest Love how my face fits so good in your neck Why can't you imagine a world like that? Imagine a world

Knew you were perfect after the first kiss Took a deep breath like, "Ooh" Feels like forever, baby, I never thought that it would be you Tell me your secrets, all of the creep shit That's how I know it's true Baby, direct it, name in the credits Like the movies do
