

Just a Little Bit of Your Heart

Ariana Grande

Oh, oh, oh, oh
I don't ever ask you where you've been
And I don't feel the need to know who you're with
I can't even think straight but I can tell
That you were just with her
And I'll still be a fool
I'm a fool for you

Just a little bit of your heart
Just a little bit of your heart
Just a little bit of your heart is all I want
Just a little bit of your heart
Just a little bit of your heart
Just a little bit is all I'm asking for
Oh, oh, oh oh

I don't ever tell you how I really feel
'Cause I can't find the words to say what I mean
And nothing's ever easy, that's what they say
I know I'm not your only
But I'll still be a fool
'Cause I'm a fool for you

Just a little bit of your heart
Just a little bit of your heart
Just a little bit of your heart is all I want
Just a little bit of your heart
Just a little bit of your heart
Just a little bit is all I'm asking for
Oh, oh, just a little bit
Oh oh, yeah yeah yeah

I know I'm not your only
But at least I'm one
I heard a little love
Is better than none
Oh babe

Just a little bit of your heart
Just a little bit of your heart
Just a little bit of your heart is all I want
Just a little bit of your heart
Just a little bit of your heart
Just a little bit is all I'm asking for
Just a little bit of your heart
Just a little bit of your heart
Just a little bit of your heart is all I want
Just a little bit of your heart
Just a little bit of your heart
Just a little bit is all I'm asking for
