Mmm, yeah, yuh

I thought you into my life, woah  
Look at my mind, yeah  
No better place or a time  
Look how they align  
Universe must have my back  
Fell from the sky into my lap  
And I know you know that you're my soulmate and all that  
I'm like ooh, ooh  
My whole life got me ready for you, ooh  
Got me happy, happy  
I'ma be happy, happy, yeah  
I'ma be happy, happy  
Won't get no crying from me, yeah  
Gonna be happy, happy  
I'ma be happy, happy  
I'ma be happy, happy, yeah  
Gonna be happy, happy  
I'ma be happy, happy  
I'ma be happy, happy, yeah  
Gonna be happy, happy  
I'ma be happy, happy  
I'ma be happy, happy
