

True Love

Ariana Grande

You are my true love
You completed the vision
Now I feel like I'm living
You are so one in a million
You are my true love

My true love
You are my true love

You want my
I told you all I
You're so one in a million
I'm so glad we committed
You are my true love

On the first day of Christmas
When you gave me all my wishes, boy
On the first day of Christmas
We got all in our feelings
Any time, he could get it
He's the real one, I know it

Look at all the things my true love gave to me
My true love
My true love
You are my true love
Ah ah ah ah ah ah

I told you all I wanted was for anyone

You're so one in a million
I'm so glad we committed
Any time, he could get it
He's the real one, I know it
