

Immune To Emotion

Ariel Pink's

I know how to do it
There is nothing to it
The secret is passion
The secret's I'm immune to emotion
I'm cold, no mind, no pain
Immune to emotion

Just try to ignore it
No use to work for it
It's all that I wanted
It's all I got

Immune to emotion
I'm cold, where to go?
Immune to emotion

I make it a habit
To wait 'til I grab it
Don't have any reason, excuses
I'm immune to emotion
I'm cold, no loss, no gain
Immune to emotion
