

## Alisa

Ariel Pink

I tried in vain to let you go  
Alisa  
But your cries won't cease to echo  
Alisa

You're in my heart, you're in my dreams, you're in my soul  
Alisa  
[x2]  
Alisa

Beat my chest, pull my hair, and I start to break, oh  
Alisa  
But that still won't make you go away  
Alisa

You're in my heart, you're in my dreams, you're in my soul  
Alisa  
You're in my heart, you're in my dreams, you're in my soul  
Miss you, oh

I thought I could go on, I was wrong  
Alisa  
Well I need you here to carry on  
Alisa

You're in my heart, you're in my dreams, you're in my soul  
Alisa  
[x2]  
Gonna cry, gonna cry, hello, bring it on now  
Alisa [x8]
