Bubblegum Dreams

Bubblegum Dream, Bubblegum Dreams  
Do as I see  
Bubblegum Neon, Bubblegum Neon  
Yellow and Green

No one knows what dreams may come  
To get some satisfaction  
Tailor suited to your tongue  
The cotton candy action

Bubbles drift into your heart  
And fill with dreams and dreams and dreams

Bubblegum Bubblegum Bubblegum Bubblegum Bubblegum Bubblegum

Walk, run, turn around, run around, stop and shout  
Bubblegum dreams

Bubblegum neon, Bubblegum neon  
Yellow and Green

Bubbles filled with dreams of lust  
We float away on clouds of love  
Over hills and seas and Sun  
You know it's bubblegum!

Bubbles filled with passion  
In dreams we dream, in dreams we dream

Memories still fill your cup  
Of tea and bubblegum dreams

Bubblegum dreams, Bubblegum dreams  
Do as I see

Sunshine wrapped in rainbows  
Passionate scenes abound  
Drifting on an island  
Bubblegum forms a sound  
Hold it in your hand  
Pop it in your mouth  
On a merry-go-round of make believe  
You can go there with me now

Bubblegum dreams, Bubblegum dreams  
Do as I see  
Bubblegum dreams, Bubblegum dreams  
Do as I see  
Bubblegum Neon, Bubblegum Neon  
Yellow and Green  
Skip, Jump, Stop and Run

Skip, Jump, Stop and Run  
Bubblegum Dreams

Bubbles filled with dreams of lust  
We float away on clouds of love  
Over hills and seas and Sun  
You know it's bubblegum!  
You know it's bubblegum!  
You know it's bubblegum!
