

Creepshow

Ariel Pink

I want the Big one
She's hiding there
Behind the man
Who wonders what she holds
I'm just a man
I'm not the man
Please understand
I am the man
I'm just the man
I'm not the man
Please understand

Down here
You just never know
Down at the creepshow
Down at the creepshow, aaha

I see you behind the bed
Why you scared?
Lend a hand
I want to know just.. where you Stand
Please understand
That I'm not the Man
I am the man
Behind the mask
Where do you stand
Come join the band
Off to neverland

Down where you never go
Down at the creepshow, yeah!

I am the man
Please understand I'm not the man
Down where you never go
Down here just never know
At the creepshow, yeah, aaaaah
