

Gettin' High in the Morning

Ariel Pink

Shoot!

Uh!

Fucking hell!

There's nothing like
Waking up with it
[?] in your pipe's [?]

The pigeons chirping
[?]

I like to live
Yeah, I like to do it
I like it a lot
I like it a lot

Yeah, I'm gonna work on it
Work on it
Work on it

I like to do it
I like it a lot
I'm so down with
Gettin' high in the mornin'
Ooh, get by

There's nothing like
Living on the coast
[?]

Waking up with it,
I'm waking up

Got to work
Got to work for it
Work for it

But I'm too high on it
Got bread to win
And I'm so down with it
Down with it

I've got to handle it, brother
Got to handle it,
Brother

I'm so down with

Get-ting high
In the mor-ning
I'm get-ting high
In the mor-ning

There's nothing like
Giving up the bread
Upon a [?]

I'm feeling [?] by you
That's right
Suck
Giddy-up

Yes, I like the drug, the drug
It's fun to do, fun to do
Just like you

I support the use
Use of it [x4]

I'm so down with
Getting high
I'm so down with getting high
In the morning

Get-ting high
In the mor-ning

I'm get-ting high
In the mor-ning
[x3]

Gettin' high in the mornin' [x15]
