

Hardcore Pops Are Fun

Ariel Pink

Let's go, we're bustin' chairs now
Hey!

Hardcore pop is fun
'Cause it's just like chewing gum
Almost makes you wanna come
Go out back and shoot your gun

Pop music is free
For you and me
Pop music's your wife
Have it for life

Pop music is fun
Just like chewing gum
Pop music is good
It sounds like it should

Pop music is wine
It tastes so divine
Pop music's a bird
It goes with the herd

Pop music's a fan
A fan to a fire
Pop music's for you

I'm at the point
where I can kiss the harmony
'Cause you know it's a thrill
When you go in for the kill
Hardcore pop, your pills are popped
Tonight

Get your hardcore pops
Hardcore pops
[x5]

Pop music makes you wanna
Go and do your thing
'Cause your body is a dance
Built to end, not to last
Hardcore pop is fast
Just like your life

Hardcore pop is fun
'Cause it's just like chewing gum

There ain't no smooth transitions, babe
You know what I got

Hardcore pops, ooh

Pop music is wine
Tastes so divine
Pop music's a bird
Goes with the herd

Pop music's a fan
Fan to a fire
Pop music's for you

Pop makes it seem so easy
Any sound will do
'Cause it's true, you're alive
Like a bird in the sky
If hardcore pop is dyin'
Then I'll be fine

Hardcore pops, ooh

There I go again
Can't help myself

Hardcore pops
