

House Arrest

Ariel Pink

"Hi, Ariel. I hope you're very happy that your car was impounded for not paying any of the, any of the... parking tickets.
I hope you learned your lesson. but let me tell you, I'm going to go tomorrow to work until 6 o'clock in the morning to give you money, to get this.
You are an irresponsible individual [?] I'm really very upset with you, Ariel.
You are unbelievable. call me when you have a chance."

I'm so sorry, dad

They handcuffed me to my guitar
They hid the keys in my keyboard case

A forced confession, officer
I always plead I'm innocent
My explanation is all in a blunder

I'm breaking out in a sweat
'cause I'm under-
'cause now I'm under-

House arrest
I'm out on my own
[?]
Xox
I could die
I'm out of my car
Xox, having sex
My baby
Xox

I learned of things as the time slipped by
The time stops and you keep on pressin' rewind
Gave up on speaking in the present tense
They just keep on planting the evidence

It makes no fucking difference
[?] in mind how much I knew narcissus

'cause now I'm under-
House arrest
Out on my own
I'm on a zoo
Ah, you, me
Xox
At times I
Out on my own
Xox
And I'm having x in mind
Jar jar x
Having sex

We jump out of there as far as able
[?] grabbed the [?] -inch cable

I took my base in the bath made store
Bought the drugs

And I put my penis in her hole

Was she a vegetarian?

And I went back to the kingdom where I was buried

And now I'm back in-

House arrest

Out on my own

On a zoo

Ah, you, me

Xox

At times I

Eye my pie xox

At times I

Out on my own

House arrest

You do the running

House arrest

Got on my mind

Guest service

At times

House arrest, ooh ooh

Ooh, ooh

Ooh, ooh

House arrest

Gimme house arrest

Gimme, gimme, girl

House arrest

Gimme, gimme

Gimme house arrest

Gimme, gimme, gimme

House arrest

House arrest

A little house arrest

Oh, house arrest

Come on, girl
