

Is This the Best Spot?

Ariel Pink

Is this the best spot, is this the spot?
Is this the best spot, is this the spot?
Go! The best spot, is this the spot?
Is this the best spot, is this the spot?
G-spot, (is this the best spot?), H-bomb
G-spot, H-bomb, let's go!

Sorry said the fanny to the head, one-
eyed Willie's ghost is dead
His booty's somewhere out there in time, oh well

Step into my time warp, time warp, time warp
Step into my time warp now
Step into my time warp, time warp, time warp
Step into my time warp now

Ism gazm chasm pulsion shooting sperm into your spine
Fighting off the urges, viscosity exfoliation

Step into my time warp, time warp, time warp
Step into my time warp now
Step into my time warp, time warp, time warp
Step into my time warp now
(Is this the best spot, is this the spot?)
Step into my time warp, time warp, time warp
Step into my time warp now
Step into my time warp, time warp, time warp
Step into my time warp now
Step into my time warp, time warp, time warp
Step into my time warp now
Step into my time warp, time warp, time warp
Step into my time warp now
