Jagged Carnival Tours

Now is the time at hand Time to take a stand Everyone collaborate Together now, celebrate Make that music everyone By everyone round and round Share the sounds All who down Trade the part It don't matter It's a start Do something interesting Say it It don't matter what Just say something Bust a nut

Foolish thing people sing Jagged jagged jagged jagged

She must be alive if she's dying Don't she look good in makeup Her eyes jus can standin the clang-clang Oh jagged jagged Oh jagged jagged Oh!

My uniform Get out and fight [x2]

Jagged jagged jagged
