Make me a man
Make me a man
Make me a man
Make me a man
Make me a man
Make me a man
Make me a man

Oh, do you just want to stay right here?
Oh, do you just want to lay right here with me?
We could have the time of your life
comes with some celebration
on a tidal wave

Oh, she's the ghost in my mind
A ghostly enterprise
any time at all
But she knows she's my one and only imaginary ghost

Oh, she don't know
She don't care, won't go anywhere
She floats above the stairs below
But she knows not to be scared
Of a ghost who isn't there at all

Lazy, lazy boy
Lay down here with me you'll see
Just recline and
Lazy, lazy boy
Spend another lazy day with me

Oh, she don't know
She don't care, won't go anywhere
She floats above the stairs below
But she knows not to be scared
Of a ghost who isn't there at all

Make me a man
Make me a man
Make me a man
Make me a man
Make me a man
Make me a man
Make me a man

Hush now, don't cry
Softly Oh, do you just want to stay right here?
Oh, do you just want to lay right here with me?
We could have the time of your life
Our life, our life, our life, our life, our life, our life

Oh, she's the ghost in my mind
A ghostly enterprise
any time at all
But she knows she's my one and only imaginary ghost

Oh, she don't know

She don't care, she won't go anywhere
She floats above the stairs below
But she won't go anywhere
The secret isn't there at all
