Ariel Pink

Lovergirl, I love you like a little old man
I love you with my jealous eyes, oh be mine, don't be his
Remember that short man who answered the door
What the girls wear to the parties and shows and then I
I start wonder about the frame of my mind
Guess I shouldn't sweat it I'll just try and unwind and be your

Loverboy, that's why they call me loverboy
Loverboy, that's why they call me loverboy

Lovergirl, I love you like an animal
I love you like a dog or snake or a mouse or a bird

Loverboy, that's why they call me loverboy
Loverboy, that's why they call me loverboy

Hey girl, hey girl, hey!

I really love that girl, I really love that girl
I really love that girl, I really love that girl
I really love that girl, I really love that girl
I really love that girl, I really love that...
