

## Menopause Man

Ariel Pink

Mental woman, born of man  
Born of woman, mental man  
Change me, I'm changing day to day  
Lady, I'm a lady from today

Neuter me  
Spay my heart  
So just come on girl  
Saturn star

Trying too hard  
To be yourself  
Said you're trying too hard  
To be what you are

Make me maternal, fertile woman  
Make me menstrual, menopause man  
Rape me, castrate me, make me gay  
Lady, I'm a lady from today

Unique  
Spay my parts  
So just come on girl  
Saturn star

Trying too hard  
I know you're trying too hard  
You're trying too hard  
To be what you already are.
