Ariel Pink

Mental woman, born of man Born of woman, mental man Change me, I'm changing day to day Lady, I'm a lady from today

Neuter me Spay my heart So just come on girl Saturn star

Trying too hard
To be yourself
Said you're trying too hard
To be what you are

Make me maternal, fertile woman Make me menstrual, menopause man Rape me, castrate me, make me gay Lady, I'm a lady from today

To be what you already are.
