

Netherlands

Ariel Pink

The war had tossed him there
And the leaves had scattered
One horseman left him then
All along this valley

Find the answer
To the Netherlands
If you don't find the answer
To the rhyme

If you don't find the answer
To the Netherlands
If you don't find the answer to this better place
If you don't find the answers
Wow, hey!

You can call my name
But I will always hear a silence
You can call my name
Perhaps I shan't see my Netherlands
At last

The [?] then
Forgot nobody
As I stood looking now
Your pony had left my gaze

Find the answer to the Netherlands
And if you don't find the answers to the better days
If you don't find the answers to the Netherlands
Find the answer...wow, yeah!

You can call my name
But I will only hear a silence
You can call my name, trust
Perhaps I shan't see my Netherlands [x3]

Don't hear my confession
I left without despair
Not even one wish can take [?]
Not one wish that I would share
