

Nude Beach a Go-Go

Ariel Pink

Skin game overload (4x)

Nude beach a go-go
Nude beach a go-go
You can do anything at
Nude beach a go-go
Fram-a-lama ding dong
Surfer Billy bing bong
Nude beach a go-go
Nude beach a go-go
You can tag along
If you're young and strong
Nude beach a go-go
Nude beach a go-go

All the kids will be attractive
All the parents don't like the action
But when we jingle jingle jingle jangle
Everybody does the bingle bangle
(Ow!)

Nude beach a go-go
Nude beach a go-go
Don't you don't you know know
Suntan in the snow snow
Everybody goes where the roses bloom
Come and enjoy the living rooms
By the lifeguard station by the coral reef
That's where all the nude kids cut their teeth
There's no clothes to wear
And no bow ties never aired
And chiffon and silk and wool and cotton
They are all forgotten

Nude beach a go-go
Nude beach a go-go

Nude beach a go-go

Nude beach a go-go
Nude beach a go-go

Nude beach a go-go
Nude beach a go-go

All the kids
Everybody
Everybody

Nude beach a go-go
Nude beach a go-go
Don't you don't you know know
Suntan in the snow snow
Everybody goes where the roses bloom
Come and enjoy the living rooms
By the lifeguard station by the coral reef
That's where all the nude kids cut their teeth

There's no clothes to wear
And no bow ties never aired
And chiffon and silk and wool and cotton
They are all forgotten
At nude beach ago-go
Ah
