

Oblivious Peninsula

Ariel Pink

Landmines of power plants machinery
Geographics our anatomy
Statements perceivable by human inanity
Language of six senses, nonsense instincts dispense of them
Oblivious peninsula hoorah, oblivious peninsula hoorah

Wear pollution halos, dress like the living dead will
Angry thoughts besiege when interpret cartoons in Braille
Oblivious peninsula, islands rising as land sinks
Oblivious peninsula, rigor mortis setting as man thinks
Oblivious peninsula, islands rising as land sinks
Oblivious peninsula, peninsula, peninsula

Landmarks and planets solar gravity
Oh, music are chances of discovery
Idiots for smokescreen choke on filters made of oxygen
Watching masochism, hang you in every direction
Oblivious peninsula hoorah, pblivious peninsula hoorah

Mangled manifestations, lawyered thoughts disprove laws
Shapes open to streams like downward riverbank beds
Oblivious peninsula, islands rising as land sinks
Oblivious peninsula, rigor mortis setting as man thinks
Oblivious peninsula, islands rising as land sinks
Oblivious peninsula, peninsula, peninsula, peninsula

Finds a life, aloneness, millions of one unit
Squared for breathing curvatures, phenomonological fits
Oblivious peninsula hoorah, oblivious peninsula hoorah

Wear pollution halos, dress like the living dead will
Angry thoughts besiege them when, interpret cartoons in Braille
Oblivious peninsula, islands rising as land sinks
Oblivious peninsula, rigor mortis setting as man thinks
Oblivious peninsula, islands rising as land sinks
Oblivious peninsula, peninsula, peninsula, peninsula
Mangled manifestations, lawyered thoughts disprove laws
Shapes open to streams like downward riverbank beds
Oblivious peninsula, islands rising as land sinks
Oblivious peninsula, rigor mortis setting as man thinks
Oblivious peninsula, islands rising as land sinks
Oblivious peninsula, peninsula, peninsula, peninsula
