

So Glad

Ariel Pink

Glad to meet you there, glad to know you well
Glad the time is right, glad the dates are swell
Glad to call you up, glad to come around
Glad to [?], all the cities known
I'm so glad that we're not sad, it's not even that bad

I'm so glad, we're glad, baby, I'm so glad that I know you
I'm so glad, we're glad, baby, I've been sad, glad to meet you
I'm so glad, we're glad, I'm so fucking glad that I knew you
I'm so glad, we're glad, I'm so fucking glad that you're so glad

Glad we're on the dreams, glad we're getting high
Glad to [?], glad to [?]
Glad [?] listen to the music, glad I'm so [?] I could use it
I'm so glad for what I've had, I'm so [?] fucking glad

I'm so glad, we're glad, baby, I'm so glad that I know you
I'm so glad, we're glad, baby, I've been sad, glad to meet you
I'm so glad, we're glad, I'm so fucking glad that I knew you
I'm so glad, we're glad, I'm so fucking glad that you're so glad

Glad you took me in, glad you took me here
Glad you like my tune, glad you [?]
Glad we're finally friends, glad we can't go wrong
Glad to be by here, glad to write the song
I'm so glad that I'm so glad and [?]

'Cause I'm so glad, we're glad, baby, I'm so glad that I know you
I'm so glad, we're glad, so damn happy, sad, glad to meet you
I'm so glad, we're glad, baby, I'm so glad that I knew you
I'm so glad, we're glad, baby, I've been sad, sad to meet you

I'm so glad, we're glad to meet you
I'm so glad to be here for you, my love
I'm so glad to be here for you, my heart
I'm so glad to be here for you, oh
