

Symphony of the Nymph

Ariel Pink

She's a nympho at the discotheque, she's a nympho and I'm a lesbian

And yet I'm also a nympho

She's a nympho at the bibliotheque, dr. Mario, colonoscopist

Down at the Barrio, I'm a therapist

Yes I'm a nympho, yes I'm a nympho, my name is Ariel and I'm a nympho

(Why do you have to sing? Why do you have to go singing?

Do you have to sing? 'Cause I'm gonna sing, why do you have to sing?

Why do you have to sing? Why do you have to go singing?

Do you have to sing? So what can I do for you to please me too?)

The symphony of the nymph

I don't need to burn any bridges

But I can't get enough of those bitches

I'm just a rocknrolla from Beverly Hills

My name is Ariel, and I'm a nymph!
