

# Dr Slumber's Eternity Home

Arjen Anthony Lucassen

"Lifespan WacksoHackso Corporation has fresh applications for psychological hickups. People now choose more drastixx than ever before. Time has lost too much money. Geography changes on the scale of Richter...Ageless, pointless, aimless, hopeless? Oh... must leave scace for sponsors. No appointments necessary...the doctor is IN."

All bets are off, the game is over
