2000 Light-Years of Darkness

2000 LIGHT-YEARS OF DARKNESS Tell me can my eyes betray me? Do they say how happy i feel When no one takes the seat beside me On the bus and make a fuss? - Then im easy To go away, take a train, go astray - Disappear into the unknown To a place where your always All alone Take a look into my eyes 2000 light-years of darkness Take a look into my eyes 200 miles of black woods Take a look into my eyes 2000 light-years of darkness you'll see My eyes, your eyes Father and son Our thoughts will be one Connected in souls Together at last - In the same black hole One day you wont know my name You will go and Not come back again I assume It will bring me great pain But at least Ill know where you're staying Cause you and i Got a way to go astray - Disappear into the unknown To a place where were always all alone Take a look into my eyes 2000 light-years of darkness Take a look into my eyes 200 miles of black woods Take a look into my eyes 2000 light-years of darknessYoull see My eyes, your eyes Father and son Our thoughts will be one Connected in souls Together at last - In the same black hole In my eyes, in your eyes In our 2000 light-years of darkness In my eyes, in your eyes In our 2000 light-years of darkness
