

All Those Days

Ark

All those days
That I stole from you
Some day I'll give them right back to you

All those days
That I stole from you
Some day I'll give them right back to you

'Cause you didn't want me that way
And I wouldn't walk away
But all those days
That I stole from you
Some day I'll give them right back to you

All those days
That I stole from you
Some day I'll give them right back to you

'Cause you didn't want me to walk away
And I wouldn't anyway
But all those days
That I stole from you
Some day I'll give them right back to you
Some day I'll give them right back to you
Some day I'll give them right back to you
Some day I'll give them right back to you
