

Girl You're Gonna Get 'Em (Real Soon)

Ark

Well you've heard about things and you've heard about fangs
And you've heard about song and you've heard about dance
And you've heard them all say that you don't stand a chance but
:

Girl you're gonna get 'em, real soon

Girl you're gonna get 'em, real soon

People all around your town

They all have that suspicious frown

And it wears you out and it wears you down, but

Girl you're gonna get 'em, real soon

Girl you're gonna get 'em, real soon

Girl you're gonna get 'em, real soon

Girl you're gonna get 'em, real soon

Aaoow! Aaoow! Girl you're gonna get 'em, real soon!

Aaoow! Aaoow! Girl you're gonna get 'em, real soon!

Girl you're gonna get 'em, real soon

Girl you're gonna get 'em, real soon

Girl you're gonna get 'em, real soon

Girl you're gonna get 'em, real soon

Well you've heard about rumba and you've heard about jazz

And that if you really want it then you have to ask

That's when you're gonna say: You can kiss my ass!

Cause Girl you're gonna get 'em, real soon

Girl you're gonna get 'em, real soon

And you've heard about monkeys and monkey-do

And that monkeys all are cheaters and it's mostly true

But I tell you little monkey that this monkey tells the truth when he says:

Girl you're gonna get 'em, real soon

Girl you're gonna get 'em, real soon

Girl you're gonna get 'em, real soon

Girl you're gonna get 'em, real soon

Aaoow! Aaoow! Girl you're gonna get 'em, real soon!

Aaoow! Aaoow! Girl you're gonna get 'em, real soon!

Girl you're gonna get 'em, real soon

Girl you're gonna get 'em, real soon

Girl you're gonna get 'em, real soon

Girl you're gonna get 'em, real soon
