

I Laid It Down

Ark

Howling He-men
following the stream and
smelling semen
God, I never wanted
to to become one of them.
Naked
shaking
I suddenly felt like
sacred
Angels
were calling me by name:
Oppular!
And so I laid it down for all
to see
Oppular!
And the world was young
and a-waiting for me
I laid it down, I laid it down!
Oppular!
I laid it down for all to see
Oppular!
I laid it down on the dusty
ground
Oppular!
and all I felt was like a great
relief
I laid it down, I laid it down!
Saint-like
maybe
She stood there
before me
pure as could to be
I gt down and kissed her
feet
and somehow
I got by
my troubles
down under he waistline
Sunshine,
kiss me, couse here, I come.
Oppular!
I laid it down for all to see...
