## One of Us is Gonna Die Young

I wanna hold you but you're out of reach Somewhere searching for your inner peace Im just looking for a little squeeze Face to face and cheek to cheek Its in your blood but not in mine What's in your blood is in my mind Somethings broken in the way we smile It is within us all the time Youre well aquainted with the So- o- o-Ho And all the Ello and Ow are u? And we both have to get it on before the summers gone We gotta hurry in our worry to get done today Cause one of us is gonna die young Lets put our money where our mouth is and get out today Cause one of us is gonna die young Ooh, Ooh, One of us is gonna die young Ooh, Ooh, One of us is gonna die young That's right Aah, aah, aah, aah And don't you take this the wrong way Im not looking for a way to replace what love can give Cause you can't do that! Im only saying that where I come from People find it very fashionable To burn like a flame Never get tame Grown-up and lame Yeah! Yeah! Youre looking beat but you say: no, oh, no, no Im all messed up and Im ready to go! We aint gonna go it alone no more So lets get on With the show There's a lot to be said and to be done today Cause one of us is gonna die young Before they put us in a coffin Ive got things to say One of us is gonna die young One of us is gonna die young Ooh, Ooh, One of us is gonna die young Ooh, Ooh, One of us is gonna die young And there's a lot to be said and to be done today Cause one of us is gonna die young And you're chim-chim-chammy and Your're wealthy and you're whammy 'Cus one of us is gonna die young One of us is gonna die young One of us is gonna die young
