The Others

I'm getting sick Of you calling it chic To describe what is that I am When I know that I'm damned Cause I got no own place to go I'm getting sick and tired You say you know my kind But I'm a one of a kind I'm blind leading blind Cause we got no own place to go But we're the pounding of the drums We're your next-door neighbour You sure must have known You got nowhere to go The Others, O-oh-Oh! The Others, O-oh-Oh! The In-Lovers, Oh-oh-Oh! I'm building an army of misplaced lovers Known as "the others" Working under covers of love Cause we got nowhere else to go Gonna enlist every baldheaded chick with a dick Every queer that is here so you stupid gits Know, you're fucked-up, nowhere to go Hear the pounding of the drums From your next-door neighbour You sure must have known You got nowhere to go The Others, O-oh-Oh! The Others, Oh-oh-Oh! The In-Lovers, O-oh-Oh! I'm building an army of misplaced lovers Known as "the others" Working under covers The Others...
