

Thorazine Corazon

Ark

(Maladie de l'amour - Thorazine Corazon)

(Maladie de l'amour - Thorazine Corazon)

This morning as I woke up, as I was lying in my bed

There was a malady, that was a-circling in my head

(Maladie de l'amour - Thorazine Corazon)

(Maladie de l'amour) - Ooh, gimme, gimme - (Thorazine Corazon)

There ain't no doubt about it, and I've been through all this before

I started seeing double, as I was heading for the door

(Maladie de l'amour - Thorazine Corazon)

(Maladie de l'amour) - Ooh, gimme, gimme - (Thorazine Corazon)

Sing me your malady, and I will sing mine

As easy as one, two, three, and we will get by

I've gotta leave the city, I've gotta put my mind at ease

Make this the last time ever, I write a song about disease

Sing me your malady, and I will sing mine

As easy as one, two, three, and we will get by

(Maladie de l'amour) - Sing me your malady

(Thorazine Corazon) - and I will sing mine

(Maladie de l'amour) - As easy as one, two, three

(Thorazine Corazon) - and we will get by

(Maladie de l'amour) - ooh, give me, give me

(Thorazine Corazon) - ooh, give me, give me

(Maladie de l'amour) - ooh, give me, give me

(Thorazine Corazon) - ooh, give me, give me

(Maladie de l'amour) - ooh, give, give me, oh, ooh

(Thorazine Corazon) - ooh, gimme, gimme

(Maladie de l'amour) - oooo-o-oh

(Thorazine Corazon) - oooo-o-oh

And we will get by

And we will get by

And we will get by

And we will get by
