

# Hung Up

Arkells

(Hung up) Oh the last thing you told me  
(Hung up) It repeats in my head  
(Hung up) Oh the last thing you told me  
(Hung up) I hear over and over again  
I'm hung up

(Hung up) More fuckers keeping me guessing  
(Hung up) They're holding onto their jaw  
(Hung up) They don't know what they're protecting  
(Hung up) And acting like they got robbed  
(Hung up)

Now here I am showing up at your door  
And I'm wearing my Sunday best

But it's these  
Gatekeepers who are keeping me out  
The gatekeepers are keeping me out  
The gatekeepers are keeping me out  
Let me in  
Yeah, who made you the president?

(Hung up) I'm sick of going to parties  
(Hung up) These people they're not my friends  
(Hung up) Now everybody's applauding  
(Hung up) Some fake money and market expense

Now there's a man and he's puffing his chest  
And he's holding that velvet rope

But it's the  
Gatekeepers who are keeping me out  
The gatekeepers are keeping me out  
The gatekeepers are keeping me out  
Let me in  
Yeah, who made you the president?

Uh-huh (Whoo-hoo)  
Uh-huh (Whoo-hoo)

(Hung up) So I'm looking for answers (high and low)  
(Hung up) You're dolling out bad advice  
(Hung up) You got no love (nope)  
You got no compassion (nope)  
(Hung up) Fuck up my day, you fuck up my night  
(Hung up)

So I'll be outside back in the alley  
I'll be taking a piss on your door

Cause it's these  
Gatekeepers who are keeping me out  
The gatekeepers are keeping me out  
The gatekeepers are keeping me out  
Let me in  
Ah, who made you the president?  
(Oh fuck no) The gatekeepers are keeping me out

(Well fuck them) The gatekeepers are keeping me out  
(Well fuck them) The gatekeepers are keeping  
Let me in  
Let me in  
Let me in  
Let me in  
Let me in

Whoo-hoo  
Whoo-hoo
