

What Are You Holding On To?

Arkells

I didn't think twice because I thought about it
You're a fool if you wanna doubt it
It's not too late to get on board tonight
I thought about the way I acted
There's some things that I'd like retracted
It's not too late to get on board tonight

You but a baby in a corner, we'll be dirty dancing all night
Believe me: this dog'll hurt

What are you holding on to?
Yelling up at the stars above you
What are you holding on to?
You're saying that only god can judge you

You say "kids, it's all about karma"
But it gets real strange when you talk about Darwin
It's not too late to turn around tonight
You ripped up every social contract
Cause man! You'd never signed off on that
But it's not too late to turn around tonight

Don't say I didn't warn ya, this bleeding hearts got some bite
Believe me: this dog'll hunt

What are you holding on to?
Yelling up at the stars above you
What are you holding on to?
You're saying that only god can judge you

It gets so lonely, you said,
When you're the one and only
