Arkona

Kak vo pole, vo pole  
Provozhali zimu lyutu.  
Otdavaya dar vesne,  
Sbros' v ogon' Maren'y puty.

Solntse krasnoe, vzoidi!  
Obogryei nash dom, Yarilo!  
Oto sna Rus' probudi,  
Dai nabrat'sya mlady sily!

Probuzhdaisya, Bog Perun,  
Dostavai moguchii molot!  
Chtob na rekah tayal led,  
Chtob ushel ot Rusi holod!

Ei, maslenitsa - blinnitsa,  
Idem pirovat'!  
Ei, Rossyeyushka - mat',  
S vesnoyu tebya idem my venchat'.

Kak vo pole, vo pole  
Maru bratiya szhigali  
I v kostrishche svyatoe  
Trebu Svorozhichem brosali.

Bozh'im churam poklonyas',  
Razvernulos' v noch' gulyan'e!  
Stala noch' koroche dnya  
V etot den' solntsestoyan'ya!

Ei, maslenitsa - blinnitsa,  
Idem pirovat'!  
Ei, Rossyeyushka - mat',  
S vesnoyu tebya idem my venchat'.
