## Last Train

Arlo Guthrie

I want to hop on the last train in the station Won't need to get yourself prepared When you're on that last train to glory You'll know you're reasonably there

Maybe you ain't walked on any highway You've just been flyin' in the air But if you're on that last train to glory You'll know you've paid your fare

Maybe you've been lying down in the jailhouse Maybe you've been hungry and poor Maybe your ticket on the last train to glory Is the stranger whose been sleeping on your floor

I ain't a man of constant sorrow I ain't seen trouble all day long We are only passengers on the last train to glory That will soon be long, long gone

I want to hop on the last train in the station Won't need to get yourself prepared When you're on the last train to glory You'll know you're reasonably there
