

Unholy Sacrifice

Armagedda

I am your sins
I am your mind
All thought i'm you
Hear my call

Sacrifice!

I possess you
Into the deepest black hole
I am the creature
You fear

I am the demon
In your head
I ride the darkest
Thoughts in your mind

You can't see through it
Death blocks your eyes
This is not a dream
This is reality

Sacrificing demons
Come and join my unholy soul
This is our first day
It has just begun
Unholy Sacrifice!
