

## Into Your Eyes

Armand van Helden

When I look into your eyes,  
I can love you to forever.

When I look into your eyes,  
I can love you to forever.

When I look into your eyes,  
I can love you to forever.

When I look into your eyes,  
I can love you to forever.

When I look into your eyes,  
I can love you to forever.

When I look into your eyes,  
I can love you to forever.

When I look into your eyes,  
I can love you to forever.
