

My My My

Armand van Helden

My My My) My My My
Whoa) Whoa
How'd we ever get this way?
Where's it gonna go?
My My My) My My My
Ooohweey) Oooh
How we gonna make it through it?
Whats it gonna take to do it?

I get this feeling, it's taking over
You ain't here so, I rely on me
But still I'm waitin', and still I've fallen
But baby we ain't talking, and I can't let that be

Spending all my time...
Tryin' to make it into what it was before.
If I could turn back time...
You will be the first to know the only one worth waiting for

Sad and mournin'
Still I'm drainin'
Oooh anything to say what's come this way
But we can have it
If I want it
So baby jump up on it
And ride the clouds away

Spending all my time...
Tryin' to make it into what it was before.
If I could turn back time...
You will be the first to know the only one worth waiting for

Oooh oooh oooh oooh ooooooooooh
Oooh oooh oooh oooh ooooooooooh

Spending all my time...
Tryin' to make it into what it was before.
If I could turn back time...
You will be the first to know the only one worth Waiting for
