

When The Lights Go Down

Armand van Helden

When the lights go down in your town,
And the band begins to play,
You can feel the energy coming
From the people as they say

When the lights go down in your town,
And the band begins to play,
You can feel the energy coming
From the people as they say

When the lights go down in your town,
And the band begins to play,
You can feel the energy coming
From the people as they say

When the lights go down in your town,
And the band begins to play,
You can feel the energy coming
From the people as they say

Everybody calls him wonderkid
Everybody calls him wonderkid
Everybody calls him wonderkid
Everybody calls him wonderkid
Everybody calls him wonderkid
He gets kicks from guitar licks

When the lights go down in your town,
And the band begins to play,
You can feel the energy coming
From the people as they say

When the lights go down in your town,
And the band begins to play,
You can feel the energy coming
From the people as they say
