

# Golddigger

Armin van Buuren

Here I am, standing naked  
that's what she said,  
I don't mind as long as I get what I want

She's heaven sent,  
take this subway,  
you're always sorry when you tell me what you're feeling.

Oh she's so special  
Oh she's so special  
On and on and on she cries to me  
On and on she makes me feel so special  
She's a devil in disguise, she's a Golddigger

Well I don't mind  
Don't really care

This is the end,  
and will be the last time.  
You're always begging for salvation  
but you don't have self respect

Oh she's so special  
Oh you're so fucking special  
On and on and on she cries to me  
On and on she makes me feel so special  
She's a devil in disguise, she's a Golddigger

Well I don't mind  
Don't really care

I don't want to be side to you  
I don't want to be afraid of you  
It takes me nowhere  
It leads me nothing

Oh she's so special  
Oh you're so fucking special  
On and on and on she cries to me  
On and on she makes me feel so special  
She's a devil in disguise, she's a Golddigger
