

Golddigger

Armin van Buuren

Here I am, standing naked
that's what she said,
I don't mind as long as I get what I want

She's heaven sent,
take this subway,
you're always sorry when you tell me what you're feeling.

Oh she's so special
Oh she's so special
On and on and on she cries to me
On and on she makes me feel so special
She's a devil in disguise, she's a Golddigger

Well I don't mind
Don't really care

This is the end,
and will be the last time.
You're always begging for salvation
but you don't have self respect

Oh she's so special
Oh you're so fucking special
On and on and on she cries to me
On and on she makes me feel so special
She's a devil in disguise, she's a Golddigger

Well I don't mind
Don't really care

I don't want to be side to you
I don't want to be afraid of you
It takes me nowhere
It leads me nothing

Oh she's so special
Oh you're so fucking special
On and on and on she cries to me
On and on she makes me feel so special
She's a devil in disguise, she's a Golddigger
