

Gotta Be Love

Armin van Buuren

I was walking wounded
Through frozen overnights
You tape my heart together
You kiss the pain goodbye

It's gotta be love
Be love
Be love
It's gotta be love
Be love
Be love

It's gotta be love
And I hear you calling me
It's gotta be love
Here I am again - I'm ready
It's gotta be love

It's gotta be love
Be love
Be love
It's gotta be love
Be love
Be love

Join me through the night
I catch your fall
And push all fears aside

It's gotta be love
Be love
Be love
It's gotta be love
Be love
Be love

It's gotta be love
And I hear you calling me
It's gotta be love
Here I am again - I'm ready
It's gotta be love
It's gotta be love
It's gotta be love
It's gotta be love
It's gotta be love
It's gotta be love
It's gotta be love

It's gotta be love
Be love
Be love
It's gotta be love
Be love
Be love
