

# Make It Right

Armin van Buuren

I still see us by the ocean  
Drinking up that summer high  
Fading in the sunshine  
Boy we were killing time

You were like my best friend  
You were like the reason I felt alive  
Hear you say forever  
Think I might be losing my mind

I keep fallin back to when we were together  
Only you can make it right  
Tell me lies pretend you'll never leave me  
Even if I'm dreaming tonight

I just wanna go back to the days  
When your heart and mine beat at the same pace  
Take me back to when we were together  
Only you can make it

Make it right right  
Make it right  
Make it right right  
Make it right  
Make me right right  
Make me right  
Make me right right  
Make me right

Only you can make it  
Make me right right  
Make me right  
Only make me right right  
Make me right

I keep fallin back to when we were together  
Only you can make it right  
Tell me lies pretend you'll never leave me  
Even if I'm dreaming tonight

I just wanna go back to the days  
When your heart and mine beat at the same pace  
Take me back to when we were together  
Only you can make it

Make it right right  
Make it right  
Make it right right  
Make it right  
Make me right right  
Make me right  
Make me right right  
Make me right
