

# Never Say Never

Armin van Buuren

Stay with me wont you wait for me  
Care for me and never say never

Love, your in my flashing bottle  
Wherever youre going home  
I'll follow you there

You're in my head  
In my heart  
In my soul  
The air I breath  
[3x]  
You're my favorite need  
I'll follow you, yeah

Mmmmmmm

I'll follow you

But everything seems lost  
I'm stuck in falling down  
You will guide me home

So promise me you'll stay with me  
Won't you wait for me  
Care for me and never say never  
Stay with me  
Won't you wait for me  
Care for me and never say never again.

No, never say never again  
[2x]
