

Not Giving Up on Love

Armin van Buuren

I know your feeling restless
Like life's not on your side
It's weighing heavy on your mind

But when we stand united
Our hearts they beat in time
And I know we'll make it all alright

Let's bring it back to you and me
There's no one else around
Now don't get lost in gravity

'Cause I want you to hold me now
Nothing else matters
It's just the two of us
And if it all falls down
Nothing else matters
You know we're strong enough

I'm not giving up
I'm not giving up on us
I said im not giving up
I'm not giving up on love

We're of the same existence
No lock without a key
We can't deny it's meant to be

Cause I feel it inside
Taking over tonight
I'll be there when the storm is breaking

In this moment I'm yours
You can always be sure
That together we're gonna make it

So baby won't you hold me now
Nothing else matters
It's just the two of us
And if it all falls down
Nothing else matters
You know we're strong enough

I'm not giving up
I'm not giving up on us
I said im not giving up
I'm not giving up on love
