

Revolution

Armin van Buuren

Revolution, resolution, dance illusion, confusion, retribution,
persecution, revolution, revolution
Revolution, resolution, dance illusion, confusion, retribution,
persecution, revolution, revolution

We are a revolution yeah
We are a revolution yeah
We are a revolution yeah

Every day we are the ones that are heard
Our tidal waves crash as we sing every word
One sound all it takes to move us
Too loud we ain't never done
We are a revolution yeah
